6. If you have reason to believe there may be persons able to provide more detailed or complete responses to any question contained herein, or who may be able to provide additional responsive documents, provide the names, titles, areas of responsibility, current addresses, and telephone numbers of such persons as well as additional information or documents they may have.

Timex does not have any documents, records or other information indicating any relationship with Safety Light Corporation, and is unaware of any persons who may be able to provide any such documents, records or other information indicating such a relationship.

7. For each and every question contained herein, if information or documents responsive to this Information Request are not in your possession, custody, or control, then provide the names, titles, areas of responsibility, current addresses, and telephone numbers of the persons from whom such information or documents may be obtained.

Timex is unaware of any documents, records or other information indicating a relationship between Timex and Safety Light Corporation.

8. If you have any other information about other party(ies) who may have information that may assist the Agency in its investigation of the Site, or who may be responsible for the generation of, transportation to, or release of contamination at the Site, please provide such information.

Timex is unaware of any other information regarding the Site.

9. If any of the documents solicited in this Information Request are no longer available, please indicate the reason why they are no longer available.

Timex performed a duly diligent search of all records, and has discovered no documents, records or other information indicating a business relationship between Timex and Safety Light Corporation, U.S. Radium, Lime Ridge Industries, USR Industries, USR Metals, Metreal or Isolite. Timex additionally has no records indicating that any such documents were destroyed or disposed of.

Should Timex discover any documents, records or other information that would be responsive to the Information Request, Timex will provide the EPA with an updated response as soon as possible.

Best regards,
